

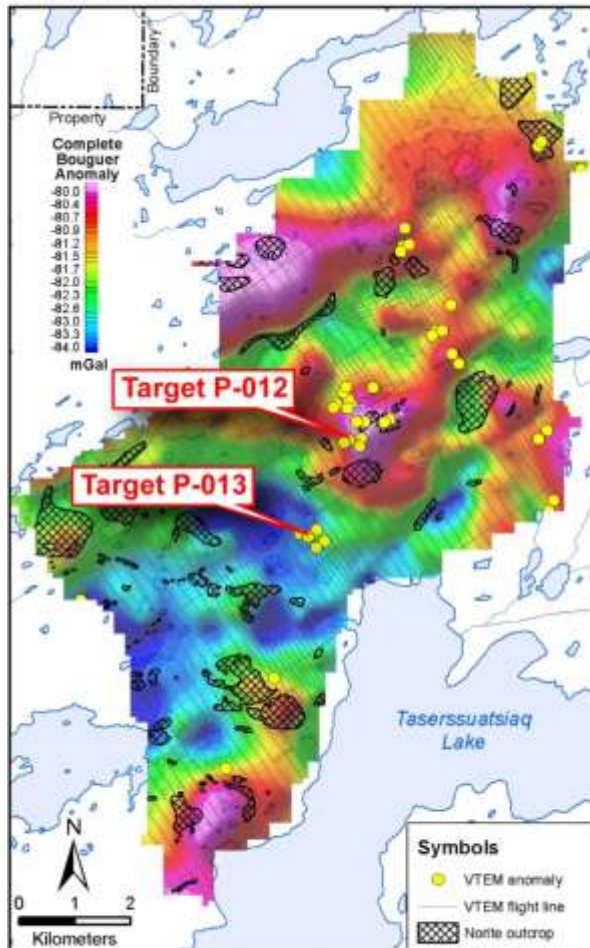

Figure 1: Location of 2015 geophysical work and selected exploration targets.

GRAVITY MAP

AEROMAGNETIC MAP

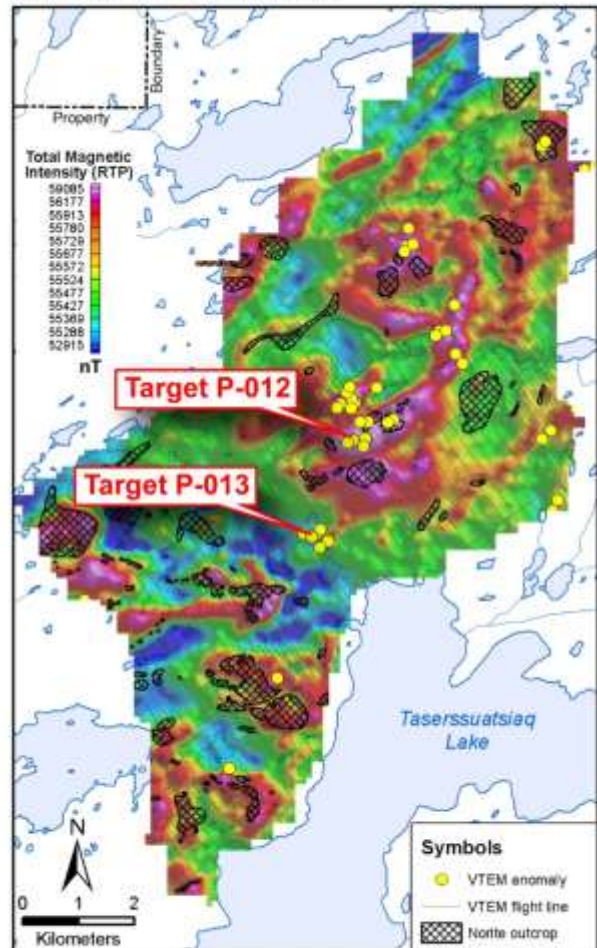

Figure 2: Gravity and aeromagnetic data from the P-013 target area: the map on the left shows the 2015 bouguer gravity results and the map on the right presents the total magnetic intensity (reduced to pole) for the same area. Note the close correlation between the gravity and magnetic highs, particularly in the central part of the area.
